

The Mediterranean way of life

MSC DIVINA

Prepare to meet the star of MSC fleet

Experience timeless elegance in modern comfort.

Prepare to meet the new star of the MSC fleet. Created with De Jorio Design International to take the acclaimed standards of MSC's Fantasia class to an entirely new level.

Inspired by Sophia Loren herself, MSC Divina brings you all the elegance and glamour of the golden age of sea travel in a new vision. A spacious, ultramodern interpretation that pampers you with sumptuous comfort and an immense variety of sports and leisure facilities, plus world-class entertainment.

Let your eyes drink in the sheer scale, style and attention to detail. From MSC Divina's real stone piazza to her Broadway-size theatre. From the sweeping grace of her Swarovski crystal staircases to the calm of her Infinity Pool, extending seamlessly out to sea and the horizon beyond.

Discover the opulent enhancements to the MSC Aurea Spa wellness centre on board, and the even more spacious and exclusive MSC Yacht Club, with its specially-commissioned works of art. Discover Sophia Loren Royal Suite. Lucky guests staying in suite number 16007 on deck 16 can revel in the glamour and style of a suite designed for and with the help of Ms Loren. Rich reds, specially designed lamps and a wild heather and red carpet have been chosen by her, while stunning photographs of her most memorable roles decorate the walls. A replica of the dressing table Ms Loren uses in her room has been fitted, allowing guests to get ready like a film star.

Want to sunbathe in peace and privacy? Soak up the sun in style in this adults-only sanctuary of serenity. Top18 boasts premium deck space and stunning sea views, not forgetting its own dedicated spa service, barmenu and complimentary fruit skewers. For groups of friends, couples looking for a romantic hideaway or parents looking for some quiet time, Top 18 is the perfect place to relax, unwind and watch the waves go by.

Discover a cruise like no other on the spectacular floating city that is MSC Divina - a superb holiday destination in her own right, offering something for everyone at all times.

So you can explore the Mediterranean as she has never been experienced before, from the beauty of a ship that's simply divine.

The gorgeous **MSC Divina** earns rave reviews

The twelfth magnificent ship in our fleet, MSC Divina has garnered praise from guests and the press for “absolute perfection” that will “take your breath away.” Indeed you can make your own diva-worthy entrance on one of two Swarovski crystal staircases, bring out your inner radiance in the exotic MSC Aurea Spa and enjoy a cappuccino in Caffè Italia Coffee Bar featuring specialty coffees by Segafredo. See and be seen in the new Eataly restaurants – Ristorante Italia and Eataly Steakhouse. Founded in Italy and popular worldwide, Eataly also offers pizza in La Cantina di Bacco Wine Bar & Pizzeria. Another iconic taste of Italy includes famed Venchi gelato made fresh daily on board. Active pursuits include the first ever aqua-cycling. Or savor sweeping views overlooking the ship’s wake from The Garden infinity pool or while sipping a cocktail at The Garden Bar.

Restaurants

MSC Divina's restaurants can make any moment special. Combining real character and authentic cuisine, they offer à la carte and set menus to suit every occasion and mood. So you can simply pop in for a snack with a difference or make them the centrepiece of an exceptional evening out, soaking up the atmospheric ambience and savouring their varied array of freshly-prepared specialities. Each distinctively different, together they can transform your cruise.

Eataly Steakhouse & Ristorante Italia

The Eataly Restaurant will mirror Eataly's original concept, creating a stylish, minimalist space where people can eat, buy and learn about the best Italian food. A choice of 18 dishes will be prepared and served at lunch and dinner, including pasta, vegetables, seafood, meat, cold cuts and cheeses. In addition, an exclusive 24-seat Ristorante Italia will offer evening dining with a different ultra-high-quality 'table d'hôte' menu every night, specially conceived by Eataly chefs with dishes made from Slow Food Presidia products created to protect small producers and to preserve the quality of artisan products.

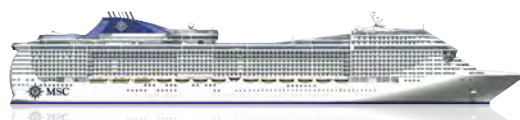

Galaxy

The Galaxy Disco's panoramic restaurant is a unique choice for dining and dancing the night away. With a retro-chic ambience that pays homage to the famous Italian nightclubs of the fifties, guests just love the refined atmosphere, while the sophisticated Mediterranean fusion cuisine makes for an experience that's deliciously different at any time of the day.

La Cantina di Bacco

La Cantina di Bacco has a chameleon magic so you can enjoy a different experience every time you go. You see, it's a classic wine bar offering exceptional wine-tasting from a superbly-tocked cellar. Or it's an authentic tapas bar offering succulent specialities, including the local delicacies served at our Accompanied Aperitif events that make each port of call a astronomic discovery. Or it's a beer cellar, with a choice of fine beers and ciders from around the world. Or it's a proper pizzeria with a different speciality pizza for every region of Italy. And best of all, it's all of them together.

Bars and Lounges

One of the most rewarding pleasures on MSC Divina is to explore the extraordinary diversity of bars - each with its own distinctive ambience, specialities and even entertainment. Everyone will find their own personal favourites and enjoy ringing the changes. But of course, if you don't explore, you can't go back for more!

Caffè Italia

The elegant Caffè Italia (Deck 7) serves freshlymade coffees that are the cream of the crop from Brazil, Costa Rica and Peru, all prepared in traditional Italian style, together with special hot chocolates and a sumptuous assortment of hot and cold coffee-based delicacies.

The cigar lounge

Here everything is dedicated to the finest smoking pleasures, including a well-stocked bar boasting a connoisseur's selection of spirits in the finest traditions.

Piazza del Doge

You can relax in a classic Venetian ambience, treating yourself to succulent pastries and traditional Italian ice creams, home-made from quality natural ingredients.

Entertainment

MSC Cruises' uncompromising dedication to its passengers is nowhere more evident than the unrivalled entertainment programmes and facilities offered on board MSC Divina, with its Phanteon Theatre, futuristic Disco and Casino Veneziano with over 1000 square metres of casino gaming and Virtual World, video games room.

Discover your own private haven of luxury

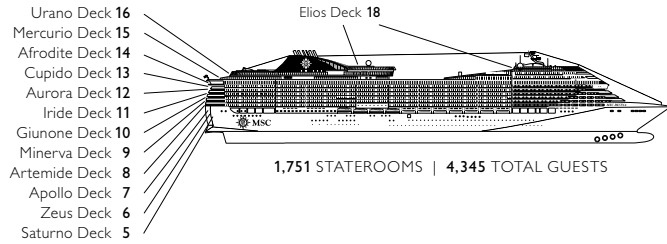

MSC Divina is our first ship to offer the exclusive MSC Yacht Club in the Caribbean. Escape to a luxurious suite complete with signature Butler service and complimentary wines and spirits. Our ship-within-a-ship features a private club ambiance with an opulent Concierge reception lobby, lounge, pool and bar; a private

restaurant, plus the only luxury suite at sea designed by Sophia Loren herself. Other spacious accommodations include Balcony Suites and Suites with panoramic floor-to-ceiling windows. What's more, *MSC Divina* features an abundance of staterooms with private balconies where the romance and glamour of sailing the open seas is yours to enjoy.
